Holidays are very exciting and it is quite normal that everyone is excited about summer holidays. This year, I am going to spend some time in Three Cities: Gdańsk, Gdynia, Sopot. Polish sea is a very nice place and one of the most beautiful places in Poland. When I come back from there, I think I will stay for a few days in my hometown where I will meet my friends, maybe we will spend some time on the allotment or just anywhere in the nature. In August I'm going to spend a week with my friends by the lake Necko in Mazury. We are planning to have a barbecue, swim and sunbathe there. Summer time is my favourite time of the year because I can relax and do many things I usually don't do during the rest of the year.
